

# Staff Alliance Spotlight

**The Registration/Records/Admissions office** provides friendly and accurate information from the beginning to the end of the student's college experience at Eastern Wyoming College. The office staff are Marisol Chavez, Senior Administrative Assistant, Sue Schmidt, Administrative Specialist, Mai Lee Olsen, Admissions Representative and Zach Smith, Director of Admissions and Golf Coach.

## Highlights of their work include:

- Provide admission and tours to prospective students
- Provide registration and Records information to all students
- Provide academic transcripts to other institutions and graduate all students who have met their academic program requirements.

For the past year we held 3 summer pre-registrations for incoming freshmen and 1 for Goshen County graduates. There were a total of 194 graduates from fall 2015 through summer 2016. Recruited the largest number of International students ever this past year.

## Some fun facts about each staff member:

- Mai Lee and her husband Michael welcomed their baby boy, Robert, on March 10th!
